

ELEVATE YOUR HOME.

TRUSTED BY PROFESSIONALS

With experience, innovation and commitment to quality, Gerard has long produced the construction industry's leading line of roof products. Now, everyday Kiwi homeowners, renovators, and DIYers – anyone with big dreams for their little slice of paradise – can get their hands on the best roof paint in the business. Suitable for most roofing substrates.

- Made in NZ for NZ conditions
- Advanced coatings system
- Primer also available to achieve the best quality finish
- Paint covers 10-14m² per litre, dependent on substrate
